

'The Color Code' and 'Upset... Can you handle it?'

Loss of control mitigation at its finest.

Let Mark Grady, nationally known aviation safety speaker increase your chance of successfully navigating through unusual situations or emergencies by using "The Color Code"

AND review the differences between spirals, stalls, spins and upsets with Rich Stowell, CFI of the Year 2006.

Directions: See the MAPA signs when you get there. Door Prizes include flying with Stowell.

A message from the National FAASTeam Manager

Over 136,600 pilots earned WINGS credits last year. Will you, this year?

Sign up for the FAA's safety services at www.FAASafety.gov!
